# Status Update

# Planning Principles

The principles described provide the framework for the recommendations for the Campus. They were developed early in the planning process and were used as a guide for the development and evaluation of early concepts and ideas.

## PROGRAMMATIC NEEDS

- Replace inefficient and underperforming facilities
- Integrate instructional and student support services
- Position GC to maximize funding (state and local)

## COMMUNITY PRESENCE

- Increase visibility
- Strengthen connections with surrounding communities
- Improve community access to College events and performances

## ACCESS + WAYFINDING

- Develop welcoming + inviting campus entries
- Develop and clarify circulation patterns
- Enhance wayfinding and campus organization

## CONNECTIONS

- Organize campus functions to support the guided pathway model
- Develop new east/west connections, while strengthening existing primary pedestrian routes

## SENSE OF PLACE

- Create a sense of belonging and pride
- Create a collegiate campus identity

## HEART OF CAMPUS

- Develop indoor and outdoor spaces to support collaboration
- Reinvigorate the campus nucleus
