1. Follow-up: Election of Chair

Veronica and Denee will speak with Carla Velarde Barros to see if she would be willing to join the taskforce and serve as chair.

2. Design and Construction Schedule

Brad reviewed the Design and Construction schedules with the taskforce noting that we are still on track. The team is in the Design phase and 100% Design Documents will go to the BOT for approval at the August BOT meeting.

3. Guiding Principles

The following principles have guided the design of the SBCC:

- a. Welcome the community
- b. Create an exceptional and collegiate student experience
- c. Facilitate student connections to services and support
- d. Provide highly functional, flexible spaces that encourage learning and collaboration
- e. Promote wellness and safety
- f. Connect and interact with the landscape
- g. Be durable and easy to maintain

4. Design Update

Brad reviewed the site plan and shared renderings of both the interior and exterior experiences. Dr. Rose feels the progression had gone very well and she feels great about the process.

5. Next Steps:

- a. 100% Design Documents will be completed in the next few weeks
- b. Site visit
- c. Narrow down the finishes
- d. Lock in the floor plan
- e. Construction Document production – refining and making the design buildable.

6. Next Meeting: TBD
