

Letter from Committee Chair

To: The Board of Trustees and Citizens of the Gavilan Joint Community College District

In November of 2018, Gavilan Joint Community College District received strong community support with the passing of Measure X, a \$248 million general obligation bond initiative. The Measure X Citizens' Bond Oversight Committee is pleased to present its annual report on the progress of the district's bond program for the 2019-20 fiscal year.

The principal duties of the committee include informing the public about the expenditure of Measure X bond proceeds; ensuring that the district spends bond money only for the purposes set forth in Measure X; and producing an annual report of the committee's proceedings and activities, including a compliance statement. The Board of Trustees' responsibilities include overseeing the bond program, prioritizing projects, and monitoring progress and spending on individual projects.

There are many accomplishments to report during this fiscal year despite its challenges. The COVID-19 pandemic required the college to quickly migrate its courses to an online platform and adjust its academic, student support and administrative services to accommodate all new and evolving health-safety requirements. The bond program management and planning team also pivoted its approach to keep the bond projects moving forward while sheltering in place. All meetings and planning activities, including the work of this oversight committee, moved to an online format.

The committee is pleased with the progress made during the second fiscal year of the bond program. San Benito County Campus remains the top priority for the district. As such, an ad-hoc committee was established for the project, as was a planning task force. The master plan for the new campus was completed and the Design Build Entity was selected for the project. On the main campus, the construction plans for the pedestrian bridge and the fire alarm upgrade were submitted to the Division of State Architects for approval, and programming efforts for the Library and Student Resource Center (LSRC) got underway. Additionally, district-wide standards and design guidelines and the IT infrastructure projects were initiated.

The Citizens' Bond Oversight Committee received written and oral reports from the district and program management staff, and the financial and performance audit reports were presented directly to the committee by the auditor. Based on its review, the committee has concluded that the district is in compliance with the requirements of Article XIIIA, Section 1(b)(3) of the California Constitution.

The committee and the district wish to thank the community for their continued support of our students.

Respectfully submitted,

John Gould Citizens' Bond Oversight Committee Chair

Committee Members

Citizens' Bond Oversight Committee members are appointed by the Board of Trustees.

- John Flaherty Gilroy, Community At-Large
- John Gould Committee Chair, San Jose, Community At-Large
- Judi Johnson Hollister, Taxpayers Association
- Gordon Machado Hollister, Business Community
- Elvira Robinson Hollister, Support Organization
- Jim Rogers Gilroy, Senior Citizens' Organization
- Natalie Rusterholz Student Representative

Committee Meetings

The committee had two meetings in the 2019-2020 fiscal year (ending June 30, 2020):

- October 24, 2019
- January 23, 2020

Please visit the <u>committee meeting page</u> for a complete listing of the meeting schedule, agendas, and minutes.

Measure X Expenditures as of June 30, 2020

Bond Authorization	\$248,000,000
Interest Earned	\$639,031
Total Bond Funds	\$248,639,031
Bond Expenditures:	
Architect & Engineering, Division of State Architect, Oversight & Other	\$3,454,539
Construction & Contingency	\$11,868,623
Furniture & Equipment	\$144,914
Total Bond Expenditures:	\$15,468,076
Bond Funds Remaining	\$233,170,955
